

## **FREE TEETH WHITENING FOR LIFE**

**Free Teeth Whitening for Life** is a loyalty and rewards program that is a courtesy and privilege, compliments of Dr. Alberto A. Herrero. This program is extended to patients who prove themselves as individuals who take their oral hygiene and general dental health seriously. We believe it is extremely important to maintain a healthy and beautiful smile. Consequently, we developed this program to reward patients who do so.

### **How to qualify:**

#### **New Patients**

First we will see you to complete a comprehensive exam by the hygienist and doctor, x-rays, and cleaning. Then once your teeth are cleaned and healthy, you will be able to choose from the two whitening options below.

#### **Existing Patients**

If you have already had whitening done in our office and already have whitening trays, you will automatically be enrolled in our **Free Whitening for Life** program, after you sign our contract. If you have not already had whitening done in our office and would like to join our program you can enroll using one of the two options below.

### **Whitening Options**

- Custom made trays- We will take impressions and fabricate trays that will be ready for pick up within 2 weeks. With the trays you will receive 3 syringes of bleaching solution that will be enough for 2 weeks of wear. At each re-care appointment you will receive 1 syringe of solution. Cost \$ 150
- Opalescence GO!- There is no impressions or custom trays necessary! You can take them home the same day as your cleaning appointment. This system comes with 10 sets of pre-filled clear plastic trays that adapt to your mouth. You just snap them in and throw them out when you're done. At each re-care appointment you will receive an additional set of trays. Cost \$75
